

Correction to *In Situ* Observation of Atomic Redistribution in Alloying Gold–Silver Nanorods

Jessi E. S. van der Hoeven, Tom A. J. Welling, Tiago A. G. Silva, Jeroen E. van den Reijen, Camille La Fontaine, Xavier Carrier,[†] Catherine Louis, Alfons van Blaaderen, and Petra E. de Jongh^{*†}

ACS Nano 2018, 12 (8), 8467–8476. DOI: [10.1021/acsnano.8b03978](https://doi.org/10.1021/acsnano.8b03978)

In the abstract on page 8467, “by combining *in situ* transmission electron spectroscopy” should read “by combining *in situ* transmission microscopy”.

This erratum does not affect any of the experimental results, discussions, or conclusions reported in the paper.
