

Contents

	Summary	9
Chapter 1	General introduction	13
Chapter 2	Cortisol mediates the inhibitory effect of cold shock stress on pubertal development in male common carp, <i>Cyprinus carpio</i> L.	33
Chapter 3	Long-term cortisol treatment inhibits pubertal development in male common carp, <i>Cyprinus carpio</i> L.	45
Chapter 4	Cortisol affects testicular development in male common carp, <i>Cyprinus carpio</i> L, but not via an effect on LH secretion	61
Chapter 5	Corticosteroids affect the testicular androgen production in male common carp, <i>Cyprinus carpio</i> L.	71
Chapter 6	Cortisol effects on 11 β -hydroxy- steroid dehydrogenase and the testicular androgen synthesizing capacity in common carp, <i>Cyprinus carpio</i> L.	83
Chapter 7	Sex Steroids and their involvement in the cortisol-induced inhibition of pubertal development in male common carp, <i>Cyprinus carpio</i> L	97
Chapter 8	Summarizing discussion	111
