

MAKING CONNECTIONS WORK

IJIS INSTITUTE MID-YEAR BRIEFING

JULY 30-AUGUST 1, 2015
ATLANTA, GEORGIA

Connect with technology executives and leaders from industry and government at this unique event and engage in constructive dialogues about technology trends, issues, and solutions.

WHY ATTEND THE MID-YEAR BRIEFING?

- Educational programs on information sharing and safeguarding technologies and standards.
- Presentations on cutting-edge technology initiatives like smart cities, next generation emergency communications, geospatial advances, and cybersecurity.
- Collaboratively explore the future of technology and information sharing and safeguarding.
