

CLARIN: European research infrastructure for humanities researchers who work with language

<https://www.clarin.eu/>

DARIAH: European research infrastructure for humanities researchers <http://www.dariah.eu/>

CLARIAH: Projects in NL that contribute to CLARIN and DARIAH (CLARIAH-SEED 2013-2014; CLARIAH-CORE 2015-2018) <https://www.clariah.nl/>

How can YOU benefit from CLARIN?

Find out for yourself:

- CLARIN NL Portal (<http://portal.clarin.nl>), services and data
 - Faceted search by research domain, language, service functionality, ...
- Virtual Language Observatory (VLO) <https://vlo.clarin.eu/>
- Store your research data at a certified CLARIN Centre <http://portal.clarin.nl/clarin-centre-list>

Research done with CLARIN

- PhDs
 - Liesbeth Augustinus (2015), KU Leuven. LOT 413 <http://www.lotpublications.nl/>
 - Sandra Hansen-Morath (2016), Ludwigs-Universität, Freiburg. <https://www.clarin.eu/news/phd-research-dialects-involves-clarin-tools>
- Lingua special issue Volume 178 (July 2016):
 - Linguistic Research in the CLARIN Infrastructure (display copy)
 - (Open Access) <http://www.sciencedirect.com/science/journal/00243841/178/supp/C>
- Various contributions in the Proceedings of the Annual CLARIN Conference ([2014](#), [2015](#), [2016](#))
