

SI Correction

EARTH, ATMOSPHERIC, AND PLANETARY SCIENCES

Correction to Supporting Information for “Direct measurements of meltwater runoff on the Greenland ice sheet surface,” by Laurence C. Smith, Kang Yang, Lincoln H Pitcher, Brandon T. Overstreet, Vena W. Chu, Åsa K. Rennermalm, Jonathan C. Ryan, Matthew G. Cooper, Colin J. Gleason, Marco Tedesco, Jeyavinth Jeyaratnam, Dirk van As, Michiel R. van den Broeke, Willem Jan van de Berg, Brice Noël, Peter L. Langen, Richard I. Cullather, Bin Zhao, Michael J. Willis, Alun Hubbard, Jason E. Box, Brittany A. Jenner, and Alberto E. Behar, which was first published December 5, 2017; 10.1073/pnas.1707743114 (*Proc Natl Acad Sci USA* 114:E10622–E10631).

The authors note that in the *SI Appendix*, page 23, line 570, “ $t_p = C_i(L_c)^{0.3}$ ” should instead appear as “ $t_p = C_i(LL_c)^{0.3}$.” Additionally, on page 24 of the *SI Appendix*, line 613, Eq. 1 should instead appear as:

$$\frac{q}{h_p} = e^m \left[\frac{t}{t_p} \right]^m \left[e^{\left(-m \left(\frac{t}{t_p} \right) \right)} \right]$$

These typographical errors do not affect the analysis or conclusions of the article. The *SI Appendix* has been corrected online.
