Correction to: Archives of Virology (2023) 168:175
<https://doi.org/10.1007/s00705-023-05797-4>

The correction refers to the sentence: Another notable taxonomic change approved in this ratification was the inclusion of gene transfer agents (GTAs) in the classification scheme as viriforms [153].

The sentence should read: Another notable taxonomic change approved in this ratification was the inclusion of gene transfer agents (GTAs) in the classification scheme as viriforms [154].

The original article has been corrected.
